## Why Submit an Abstract?

- » The ASLMS Annual Conference is the world's most prestigious gathering of clinical laser and related technology professionals with over 1,500 attendees!
- » Approximately 250 abstracts will be selected for oral and/or ePoster presentations.
- » Abstracts are published in *Lasers in Surgery and Medicine*, the internationally renowned journal of ASLMS.
- » Accepted ePosters are placed on electronic display at the conference and published on the ASLMS website following the conference for member-only viewing.
- » A limited number of travel grants are available each year to defray the travel and lodging costs for medical students, residents, undergraduate students, interns, and fellows-in-training after review of accepted abstracts.
  - » One Peggy Nowell, RN Travel Grant also available to either certified, degreed, or those working toward a degree in the Nursing/Allied Health field.
- » Awards are given for best abstracts in specific sessions (qualifications may apply).
  - » Best Overall Basic Science and Translational Research Award
  - » Dr. Richard E. Fitzpatrick Clinical Research and Innovations Award
  - » Kerith Foundation Best of Photobiomodulation Abstract Award
  - » Best of Sessions Awards
  - » Outstanding Early Career Abstract Awards

## HOW DO I SUBMIT AN ABSTRACT?

Visit [aslms.org/annual-conference](http://aslms.org/annual-conference). It's just that simple. Travel grant applications are also available and must be submitted with the abstract. All accepted abstract presenters are encouraged to submit an electronic poster (ePoster).
